

Village of La Grange

May 27, 2009

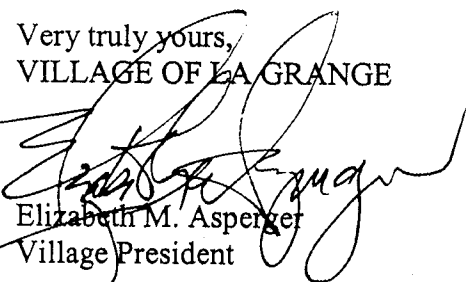

Dear Village Resident:

Eight days ago, our Village was shaken by a tragedy in your neighborhood, when Cari Cook, a Countryside resident, was struck by a car and killed on 47th Street at 8th Avenue. While we can't reverse the consequences of this tragedy, we can meet together to discuss what occurred and examine what role the Village might play in providing enhanced pedestrian safety along the 47th Street corridor.

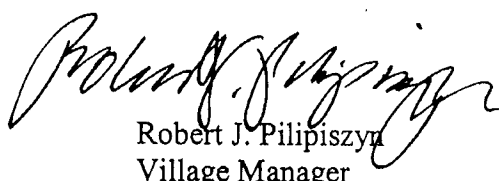

We would like to convene a neighborhood meeting so that we can share with you the Village's current plans to address traffic issues on 47th Street, and to provide you with an opportunity to comment on specific concerns involving the 47th Street corridor.

Please join us at this neighborhood meeting in the gymnasium at Seventh Avenue School on Tuesday, June 2, 2009, beginning at 7:00 p.m. If you cannot attend, but would like to share your thoughts and ideas on how to improve pedestrian safety within the corridor, please feel free to call me at 708-579-2313 or Village Manager Robert Pilipiszyn at 708-579-2318 or provide your comments via email at eeperger@villageoflagrange.com or rpilipiszyn@villageoflagrange.com, respectively.

Very truly yours,
VILLAGE OF LA GRANGE
